

RIVERBOAT FANTASY

Kent Dowell C-Dur

Refr.

C G F C
I can still hear the riverboat's wheel
F C
Smell the black smoke rolling
F C
See the people waving
F G C
Ridin' on the river's Delta Queen

C F C
1. When I was just a young man I had a fantasy
C G
I would be a captain of the Queen
C F C
Each morning I would run down by the riverside
C G C
Watch her as she'd gone passing by

2. Now I'm almost faded, it's been a long long time
Since I've had a captain's dream of mine
Delta Queen has come and gone and memories a few
Since the day that my captain's dream comes true
